Dear Harold:

Many thanks for your letter of Saturday February 17 which arrived this morning.

Am returning herewith Dr. Lattimer's reprint from Int. Surg. He has visited here and we went out do do some shooting and I gave him some ammunition and later sold him a gun. We agreed on many points but not the essential ones. I knew he was writing this article but he naver gave me any details and certainly never let me see the MS. He tried to persuade me not to testify in New Orleans and has never communicated since. I have a Xerox copy of his work.

Shall look forward to the results of your work with Bernabei and to your comments for my lawyers.

Sincerely,

John Nichols
